Great Lakes Commercial Sales, Inc. Recognized by Maytag® Commercial Laundry for Vended Excellence

ST. JOSEPH, Mich. (August 2, 2017)—Maytag® Commercial Laundry recently honored Great Lakes Commercial Sales, Inc. of Brookfield, Wisconsin—a division of WASH Multifamily Laundry—with the Vended Excellence Award at the brand’s 58th Annual Meeting in Las Vegas. The award recognizes the distributor that best serves its vended store customers with efficient and effective service.

“Great Lakes Commercial Sales was truly dedicated to the coin market in 2016—doubling their vended equipment sales,” said Trey Northrup, general manager for Maytag® Commercial Laundry. “Their outstanding performance and support of the Maytag® Commercial Laundry brand made this an easy decision.”

Dan Naumann, vice president of Great Lakes Commercial Sales, praised Maytag® Commercial Laundry for helping his company achieve its goals: “Our goal is to exceed our customer’s expectations in everything we do. It’s a privilege to take home another accolade from such a well-respected brand.”

In addition to this year’s Vended Excellence Award, Great Lakes Commercial Sales previously won the Marketing Excellence Award and is a two-time winner of the Fred Maytag and Maytag® Commercial Laundry Energy Advantage™ Awards. The company, founded in 1992, is a full-service distributor specializing in coin, multi-housing and on-premises laundry throughout Indiana, Illinois, Kentucky, Michigan, Ohio and Wisconsin.

Naumann and Alec DeLange were present to receive the award.
